SB2W Camper Packing List

What to Bring
Because SB2W is a sports camp, campers should plan on wearing t-shirts, athletic shorts, socks, and athletic shoes for the day’s events and jeans or sweats for cool nights. We value modesty and an active lifestyle, so we ask campers to leave clothes like spaghetti-strap tank tops, ribbed tank tops, midriffs, halter tops, short shorts, and other tight clothing at home. Except for sandals used exclusively as water shoes, loose fitting shoes or shoes with heels are not satisfactory for the activity level of camp. Most jewelry should also be left at home since it cannot be worn during activities and is easily lost. No expensive clothes are necessary, but the items listed below are essential. There will be no laundry service, so please pack accordingly. Lost belongings are easily returned when they are clearly marked.

You can use the following list to guide you as you pack for a 2-week term.

- sleeping bag (w/ stuff sack)
- pillow
- 4 towels
- 15 t-shirts
- 8 shorts
- 15 undergarments
- pajamas
- 15 pairs of socks
- 3 sweatshirts/fleeces
- 3 jeans/sweatpants
- 2 swim suits (one-piece)
- 2 pairs of tennis/athletic shoes
- secure water shoes (no flip-flops)
- large trash bag (for wet items)
- toiletries
- small backpack
- breathable toiletry basket
- raincoat or poncho
- Bible
- small laundry bag
- flashlight
- water bottle
- strap for glasses
- sunscreen
- goggles

We encourage you to pack clothes in trunks or plastic containers that can slide under the 17” bottom bunk. Bringing a daypack for your trip could also be helpful. Leave expensive luggage at home.

Optional equipment such as a tennis racket, ball glove, lacrosse stick, camera, fishing tackle, musical instrument, and books may enrich the summer. Girls (only) may wear stud earrings; other piercings must be removed while at camp. No boys’ earrings or other piercings are permitted.

Some campers prefer blankets and sheets on their cabin bed, but a sleeping bag is still needed for our wilderness trips. Mattresses are 30” x 75”. As you pack bedding, remember how cool summer nights can be in the mountains, especially in the early part of the summer. We recommend a heavy sleeping bag or extra blankets.

Items NOT to Bring
- computers
- ipods
- cell phone
- hand-held video games
- food
- candy
- gum
- any drink (pure unsweetened water is the only exception)
- magazines
